

Sphero Edu Teacher Notice and Verification

Sphero Edu takes child privacy seriously and requires teachers to complete this form in order to create accounts for students under the age of 13.

By signing this form you are confirming:

1. If located in the United States, you are a teacher employed at an educational institution subject to and, to your knowledge compliant with, the Family Educational Rights and Privacy Act of 1974 (FERPA), and you are at least 18 years old.
2. If located outside the United States, you are a teacher at least 18 years of age, employed at an educational institution that (1) has obtained any parental consent required by applicable law from the parent or legal guardian of the student(s) under the age of 16 whose accounts you are attempting to create and (2) has a valid legal basis for collecting any information pertaining to such student(s).
3. You or your school have the necessary authorization to permit your students under the age of 13 to access Sphero Edu.
4. You understand that your students under the age of 13 will not be permitted to use the Post Comments and/or Publish Content features unless Sphero Edu has been provided with verified parental consent.
5. You will keep your Sphero Edu credentials private and not give them to or share them with anyone else.
6. If you are aware that a student under 13 has provided personal information to Sphero without verified parental consent, you will contact us promptly at support@sphero.com.
7. You have read, understand, and will follow the Sphero Privacy Policy at <https://www.sphero.com/privacy>, Sphero's Child Privacy Policy at <https://edu.sphero.com/child-policy>, and Sphero's Terms of Use at <https://www.sphero.com/terms>.
